Sicer will call us when he gets the galley proofs and expects that complete learings will be published in the next two to three weeks. 6. LLM) At her request, met with Kathy Nelson, in the ffice of Senator Stuart Symington (D., Mo.), who had some problems with the Agency's sanitization of Mr. Colby's testimony before the Senate Armed ervices Committee on 27 June on S. 1263, "United States Military Posture and Procurement for Fiscal Year 1974." Nelson claimed we had deleted nonitary figures on Agency operations in Laos which had already been peroved by the Agency for public release in the so-called Moose/Lowenstein eport. She also claimed we were inconsistent in giving the force level of the SGU's but not the number of battalions involved. She had several other oints and I agreed to have another review made of the material and let her now the results. 7. LLM) Talked to DDM&S, regarding coordinating the payment to and he recommended a meeting e set up with as soon as the direction for the ayment is received. Mr. Warner was advised. JOHN M.
